

Holloware

Pride.Precision.Performance.

Bolton Surgical are proud to present our range of carefully selected Holloware products for use in hospital departments such as Operating Theatres, Clinics, Day Surgery and Wards.

Our range consists of fully validated reusable products chosen to enable customers to make the switch from single use/plastic to a more sustainable solution.

- Made from Type 304 (18-8) non-magnetic bright polished and fully passivated Stainless Steel to ensure excellent corrosion resistance against all commonly encountered substances. Fully recyclable.
- Precision cut, formed and finished to ensure smooth edges and surfaces for greater cleaning efficacy.
- Will retain its original form indefinitely with careful handling and if used and processed in line with the issued product IFU.
- Fully re-usable and capable of withstanding unlimited cleaning and reprocessing cycles in accordance with HTM 01-01 with cleaning solutions up to 10.5pH, Thermal disinfection at 95°C for a minimum of 1 minute and steam sterilisation at 134°C to 137°C for a minimum of 3 minutes.
- Available in a large range of sizes selected to suit all requirements.
- Guaranteed for 15 years, see certificate of guarantee for further details.

The important stuff...

Quotations, Ordering, Stock Availability and Samples

Our Sales team are happy to receive requests for Quotations, Orders, Stock Availability and Samples via email or telephone.

This product range is available to view on our website. Customers can browse, build a wish list/quotation request and send directly to our sales department.

Can't find what you're looking for?

We are here to help! Email us, call us or request a visit from your Sales Consultant who will be happy to provide expert guidance on product options and discuss your requirements.

Specifications

Images within this catalogue are not full size, for key product and feature sizes please refer to the dimensions given in the product descriptions.

We reserve the right to change/remove a product or specification at any time.

Measurements given in descriptions within this catalogue reflect nominal dimensions and are subject to manufacturing tolerances.

Instructions for Use

IFU's are included with every product supplied, current IFU's for all our product ranges are accessible by visiting our website boltons.co.uk.

Guarantees

All current certificates of guarantee applicable to this range are available by visiting our website boltons.co.uk.

Regulatory

Bolton Surgical's manufacturing, supply and distribution operations are compliant with a Quality Management System for Medical Devices certified to BS EN ISO 13485.

Sustainability

We are committed to reducing our carbon footprint and increasing sustainability in all our business operations. Part of that commitment is to support our customers to make more sustainable procurement choices too.

The Bolton Range of Holloware is a Sustainable product choice. All components of this range are reusable and fully recyclable at the end of their service life. To gain maximum service life from these products customers should follow the relevant IFU's.

To find out more about our Sustainability Charter, please visit our website boltons.co.uk.
